

Allied PhotoChemical presents and participates at Concrete Décor Show, located in Nashville, TN.

Allied PhotoChemical leads the UV industry with UV knowledge, coating technology and applications breadth.

MARYSVILLE, MI – March, 2011 – Allied PhotoChemical will be participating at the 2011 Concrete Décor Show on March 15 – 18, 2011 in Nashville, TN.

“Allied PhotoChemical has long delivered UV Technology solutions to hundreds of customers in the mainstream manufacturing environment,” says Dan Sweetwood – VP of Operations. “Today, UV is going Mobile and the Concrete Décor Show is an excellent means to demonstrate this technology.”

“Actually, the Mobile UV market is a newly created market vertical and includes the following applications: Concrete countertops, bath-tub refinishing, concrete flooring, anti-graffiti, etc.” says Michael Kelly – CEO / President. “The Concrete Décor show provides an excellent forum for Allied to showcase and to train respective customers on the safe and proper use of innovative green technology.”
