

Allied PhotoChemical

Press Release

Allied PhotoChemical renews ISO 9001 Certification.

Another 3 year certification demonstrates Allied's manufacturing and process expertise.

MARYSVILLE, Mi – February 1, 2008 - Allied PhotoChemical, a leading manufacturer of UV Paint and Coatings Solutions, today announced that it had successfully renewed its ISO 9001 Certification for another 3 years.

"The ISO process has provided an important foundation to Allied PhotoChemical's continued success," says Michael Kelly – CEO/President. "Allied PhotoChemical has continued to enhance our internal ISO processes, working hand-in-hand with our key suppliers and our customers, to streamline processes and procedures."

If you would like a copy of Allied PhotoChemical's ISO Certification, please contact Dan Sweetwood – Vice President of Sales & Marketing at dsweetwood@alliedphotochemical.com.
