

Allied PhotoChemical

Press Release

Allied Photo Chemical has won a place on Corp! magazine's list of Economic Bright Spot companies.

Bright Spot Award highlights Allied PhotoChemical's revenue growth of over 75% in UV Technologies.

MARYSVILLE, Mi – May 1, 2008 - Allied PhotoChemical, a leading manufacturer of UV Paint and Coatings Solutions, today announced that Corp! Magazine had selected Allied PhotoChemical as a Michigan Economic Bright Spot.

"This award is another example of how High-Tech Companies can flourish in the Great State of Michigan," says Michael Kelly – CEO/President. Allied PhotoChemical experienced significant growth last year, exceeding 75% and the main reasons: Our great employees and customers."

"Allied continues to work with it's primary Michigan vendor base; namely our Patent Attorney Firm, Publishing Firm, Legal General Counsel, Web-Development Firm, etc...and are proud of the fact that all these firms are located in Michigan, something our marketplace competitors cannot equal....."
